Experience

DESIGN FOR AMERICA | Experienced Member and Director of Events | St. Louis, MO | August 2017 – Present

- Collaborated with students and community partners to address complex social issues through the design process
- Worked on interdisciplinary teams and established "how can we" statements to guide our project
- Organized public events to raise awareness of design thinking on campus
- Developed studio culture through social events aimed at improving the organization while bringing together members
- Interviewed ex-convicts and used insights to develop a prototype for an improved reentry program resource guide with plans for implementation and distribution of a printed guide by summer 2018

WILDERNESS PROJECT | Trip Leader | St. Louis, MO | January 2018 – Present

- Selected as trip leader for the nation's only student-led outdoors freshman pre-orientation program
- Trained in outdoor, leadership, and group skills during four campouts and various walking tours of St. Louis
- Will lead group of freshman WashU students in week-long hiking excursion through the Ozarks in summer 2018

THE ISLANDER NEWSPAPER | Editor in Chief and Online Editor | Mercer Island, WA | September 2014 – June 2017

- Mentored staff writers and other editors, set production schedules, oversaw all content, and assisted advisor in teaching lessons
- Restructured and streamlined workflow resulting in the production of an extra issue each year
- Cultivated staff culture, doubling class enrollment
- Pioneered the paper's online presence by founding the website which currently averages 2,500 views a week and running all social media accounts
- Co-interviewed Defense Secretary James Mattis and organized week-long press circuit after story went viral

MEDILL-NORTHWESTERN JOURNALISM INSTITUTE | Evanston, IL | June 2016 – August 2016

- Accepted to selective five-week summer program for U.S. and international high school students
- Worked with established professors and professionals in the fields of writing, editing, photography, video, producing, ethics, law, and digital media
